See the Munchkin Mascot!

The Munchkin mascot made his debut at the GAMA Trade Show in Las Vegas, giving everyone there the chance to meet their favorite powergamer in the fuzzy flesh! He also attended Origins in June, and will be at GenCon in August and Penny Arcade Expo in September. If you're at one of those shows, come on by and get your picture taken with the Munchkin! You can find photos and video at mascot.worldofmunchkin.com.

GURPS

GURPS is the "Generic Universal RolePlaying System." It starts with simple rules, and builds up to as much optional detail as you like.

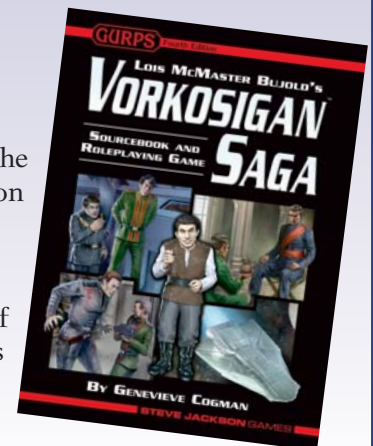

Lois McMaster Bujold's Vorkosigan Saga Sourcebook and Roleplaying Game

The PDF is now on e23 (e23.sjgames.com); the full-color hardcover is at print and will be on shelves in November. vorkosigan.sjgames.com

Ultra-Tech and Psionic Powers

A reprint of future tech and a print version of a PDF best-seller: both available in softcover this September.
